My Degree Audit – Self-Service for Advisors and Students

Updated February 2018

This document is your guide to navigating MyDegreeAudit through the MyRED portal for students.

1. Navigation to MyDegreeAudit

1. Open your web browser and go to myred.unl.edu
2. Sign in with your NU ID number and password
3. On the Home page, click on the Degree Audit button in the upper right section of the page or on the Academics tab, select the Degree Audit button located under Important Links.

My Degree Audit – Self-Service for Advisors and Students

Updated February 2018

2. Request an Audit

When MyDegreeAudit opens, you will see the welcome page. Read this information carefully, then select Continue to Degree Audit. This will take you to the Request an Audit page. At this point you can run a new degree audit. Here you have some options:

- -Run a Declared Program Audit using your current program and bulletin year
Or
- -Run a Different Program (What-If) Audit using a program and bulletin year you select

In addition to this, you can decide whether you want to run an HTML audit (which is the default setting) or a downloadable PDF audit by selecting the “Advanced Settings” menu.

The default options on the Request an Audit page look like this:

Run Declared Program
is the default selection.

Select Run Declared Program
to run a degree audit of the declared program.

Request an Audit

▼ Run Declared Programs:

School	Degree Program	Title	Catalog Year	Marker	Value	Type	CATLYT
	NO AUDT	NO AUDIT	Fall 1995				

▼ Select a Different Program:

Advanced Settings Click to view available options.

Run Declared Programs

Run Declared Program is the default selection.

Select Run Declared Program to run a degree audit of the declared program.

My Degree Audit – Self-Service for Advisors and Students

Updated February 2018

3. What-If Audit/PDF Audit Selection

To see your audit with a different program or bulletin year, click “Select a Different Program” on the Request an Audit page. Degrees are listed alphabetically by major then degree. Catalog Years start with the current year defaulted first and lists only the 1st term (Fall) in the catalog year. If you wish to view the audit as a downloadable PDF, you may select it from the Advanced Settings menu.

The screenshot shows the 'Request an Audit' web form. It includes a section for 'Run Declared Programs' and a 'Select a Different Program' section. The 'Select a Different Program' section has two dropdown menus for 'Degree' and 'Catalog Year'. Below these is an 'Advanced Settings' section with a checkbox for 'Include In Progress Courses' and a dropdown for 'Format' (set to 'Regular (HTML)'). At the bottom are 'Run Different Program' and 'Cancel' buttons. Five callout boxes provide instructions: 1. 'Click Select a Different Program to bring up options to run a “What-if” audit' points to the 'Select a Different Program' dropdown. 2. 'Choose both the Degree and Catalog Year.' points to both the 'Degree' and 'Catalog Year' dropdowns. 3. 'Click to choose Advanced Settings to include/exclude In Progress Courses and Format (HTML or PDF, HTML is the default format).' points to the 'Advanced Settings' section. 4. 'Click to Run a Different Program' points to the 'Run Different Program' button. 5. A note states 'Choosing a degree program here will not change your declared degree program.'

- Click Select a Different Program to bring up options to run a “What-if” audit.
- Choose both the Degree and Catalog Year
- Click to choose advanced settings to include/exclude in Progress Courses and Format (HTML or PDF, HTML is the default format)
- Click Run a Different Program

Updated February 2018

6. Reading the HTML Audit and Printer Friendly Option

The HTML audit is the default setting for running audits. If you click on the “Help” icon the Interpreting Audit Results table will appear with descriptions of the different icons. On HTML audits there is a new Printer Friendly feature. It can be found in the upper right area of the audit. Depending on your browser, either a pop up screen or another tab will show an audit that is formatted for printing.

Important note: Closing out the screen or tab will not log you out of MyDegreeAudit.

Updated February 2018

Courses in the Select From sections of the audit are hyperlinked to the undergraduate bulletin so that you can see a brief course description of a course by clicking on the course in your audit.

The screenshot shows the 'NEEDS: 3.0 HOURS' section with a 'NOT FROM:' list containing [MRKT 300](#), [399](#), and [499](#). The 'SELECT FROM:' list includes [MRKT 225](#) (highlighted with a red box), [OR AECN 225](#), [OR EAEP 225](#), [MRKT 325](#), [345 \(IF NOT USED ABOVE\)](#), [346](#), [347](#), [MRKT 350 \(IF NOT USED ABOVE\)](#), [355 \(IF NOT USED ABOVE\)](#), [425](#), [426](#), [428](#), [441](#), [443](#), [444](#), [MRKT 446](#), [449](#), [453](#), [460](#), and [490](#). A red arrow points from the highlighted [MRKT 225](#) to a search results window.

The search results window shows the title 'MRKT 225 AGRIBUSINESS ENTREPRENEURSHIP IN FOOD PRODUCTS MARKETING'. It lists crosslisted courses as [AECN 225](#) and [EAEP 225](#). The description states: 'Marketing strategies and entrepreneurship ventures throughout a food systems channel from producers of agricultural commodities to processors of food products and the final consumer. Entrepreneurship studies dealing with food processors, wholesaling, retailing and food service firms. Create strategic marketing plan to introduce a new food product into a retail'.

7. The PDF Audit

In addition to the default HTML audit, you can run an audit as a downloadable PDF file. This audit has all of the qualities of a PDF document with slightly different formatting from the HTML audit however all of the degree audit information remains the same.

The screenshot shows the 'Download PDF Audit' section with a note: 'Make sure you've installed Adobe Reader and are not using Browser or Chrome in Android before viewing this audit.' Below is a preview of the PDF document.

The PDF document contains the following information:

My Degree Audit – Self-Service for Advisors and Students

Updated February 2018

8. View Course History

The View Course History tab allows you to see a graph indicating earned hours and GPA by semester. In addition, you can view a list of classes taken by the student. This list can be sorted by Year, Course, Hours, Grade and Title and can be filtered by several parameters including Year and Grade.

You can filter courses by clicking on the bar corresponding to the semester you'd like to see or by using the drop down boxes. If using the drop down boxes, don't forget to click the arrows to filter your results.

9. Navigation Bar Links

When you access MyDegreeAudit, there are some links at the top of your screen that will be present on most screens:

- **Audits** – will take you back to the Request an Audit page (Request New), to the Completed Audit Requests page (Manage), or Program Matcher
- **Courses** – will take you to your transfer courses on your UNL academic record
- – will take you to a help page that highlights Interpreting Audits (Help) or will log you out of MyDegreeAudit (Log Out).

Important Note: Logging out of MyDegreeAudit will not log you out of MyRED.

My Degree Audit – Self-Service for Advisors and Students

Updated February 2018

10. New Window

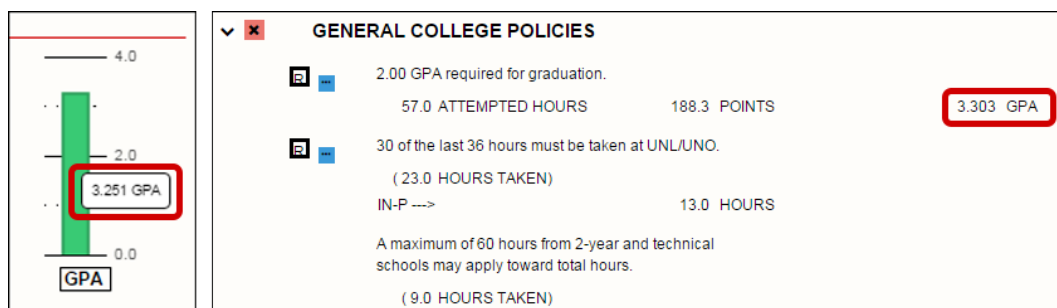

Interactive Audit displays the degree audit in graphs and charts which give a visual representation of your progress towards the degree. It also allows you to view by Requirements and Sub requirements within the HTML audit.

Interactive Audit has four different charts and graphs:

Total Hours Pie Chart – charts your progress towards the total hours needed to complete the degree program.

Audit Total GPA Graph – charts your overall GPA of courses USED in the audit (any courses that do NOT count towards the audit (failing grades for example) will not be calculated. Your overall GPA can be found in the “General College Policies” section of the HTML audit).

Requirements Graph – charts your progress towards the total hours necessary in the degree requirement categories (this graph allows you to click and navigate into the requirements and sub requirements screens).

Requirement GPA Graph – charts your GPA in courses used towards each individual degree requirement category. It is important to note that only GPA acquired through classes completed at UNL will be calculated. If you fulfill a requirement with transfer credit outside the NU system, it will not be shown on the Requirement GPA Chart.

My Degree Audit – Self-Service for Advisors and Students

Updated February 2018

11. Interpreting the Graphs

Interactive Audit Total Hour Pie Chart and Requirement Graphs have three colors to represent progress towards the degree:

- Green – Completed Hours
- Blue – In Progress Hours
- Red – Unfulfilled Hours

The Total GPA and Requirement GPA graphs only use green to represent the earned GPA.

12. The Graph Hover Feature

Each of the graphs (except for the Requirement GPA graph) has a hover feature in order read the information more easily. Hover the cursor over a portion of the graph for additional information to be displayed. ***Always wait for the graphs to fully load/calculate before hovering in order to get accurate information.**

Hovering over the Total Hours Pie Chart will show you the amount of hours Completed (Green Section), In Progress (Blue Section), or Unfulfilled (Red Section) towards completion of the degree.

Hovering over the Total GPA Graph will show you the total GPA for all courses USED in the Audit (any courses NOT used in the Audit will not be calculated, please see the "General College Policies" section within the audit for the overall GPA).

Hovering over the Requirements Graph will show the progress of hours towards the degree within each Requirement and Sub requirement.

My Degree Audit – Self-Service for Advisors and Students

Updated February 2018

The Requirement GPA Graph corresponds directly to the Requirement Graph. For example, this student has earned an overall 3.714 GPA in courses contained within the ACE Requirements.

13. Navigating the Interactive Audit

Interactive Audit allows you to view individual Requirements and Sub requirements in the degree audit. Interactive Audit has two paths to navigate:

- The Requirements Graph, which moves into the Requirement and Sub requirement screens
- The Audit Path, which moves back to the Full Audit Screen

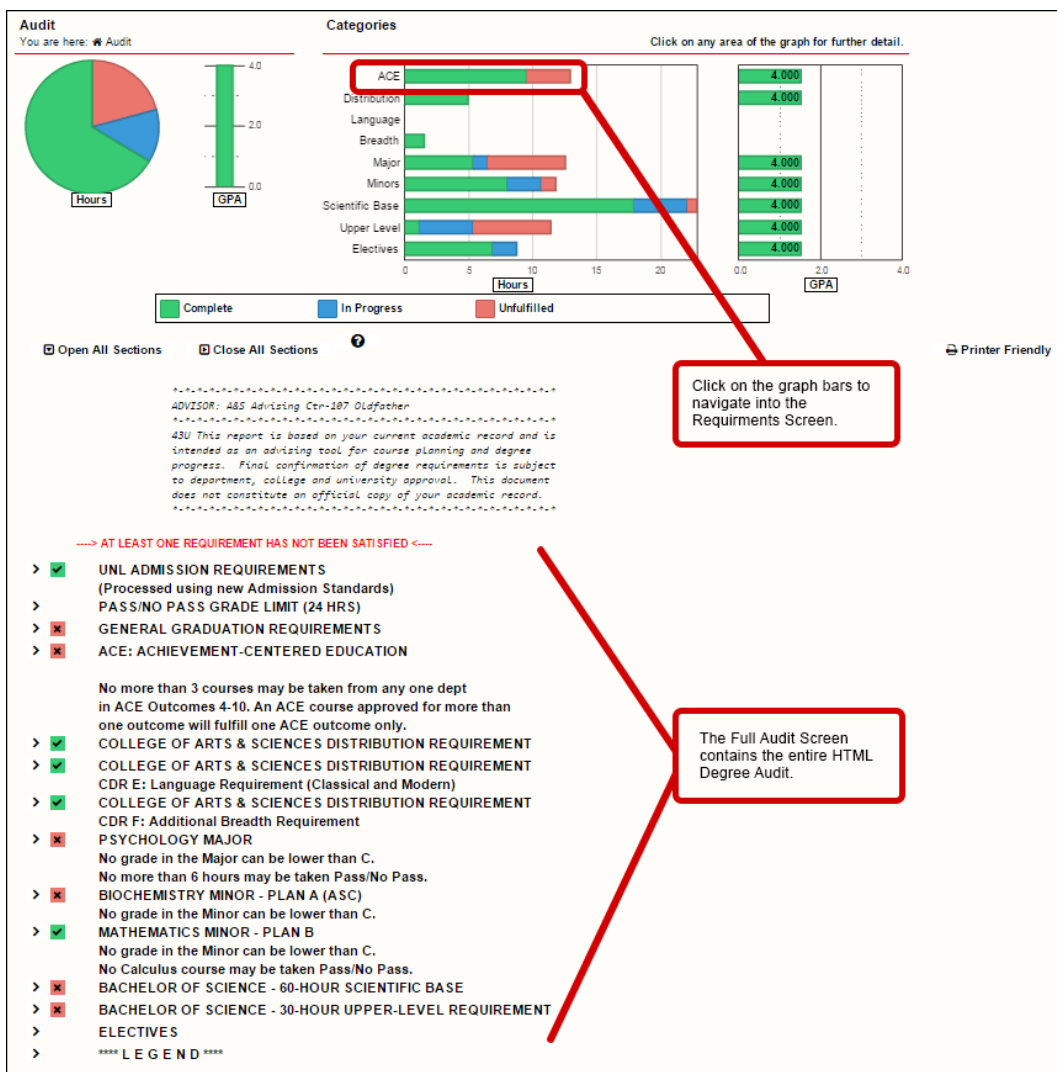

My Degree Audit – Self-Service for Advisors and Students

Updated February 2018

14. Full Audit Screen

This screen shows the audit information in its entirety with hours and GPA for all requirements counted. It also allows you to view the complete degree audit in its traditional form.

This screen shows the audit information in its entirety with hours and GPA for all requirements counted. It also allows you to view the complete degree audit in its traditional form.

My Degree Audit – Self-Service for Advisors and Students

Updated February 2018

15. Requirements Screen

When viewing an HTML audit, Interactive Audit allows you to focus on a single requirement by clicking a specific requirement bar within the Requirements Graph (in this case the ACE requirement). When viewing a PDF audit, it will only show a complete text audit.

The screenshot displays the 'Requirements' section of a degree audit. At the top, a 'Category: ACE' header is shown. Below it, a pie chart labeled 'Hours' and a bar chart labeled 'GPA' are visible. The 'Hours' bar chart shows a total of 25.0 hours, with a red segment indicating that at least one requirement has not been satisfied. A red box highlights the 'Hours' bar chart, with a callout stating 'Click on the graph bar to navigate into the Sub Requirements Screen'. Below the charts, a legend indicates 'Complete' (green), 'In Progress' (blue), and 'Unfulfilled' (red). A 'Printer Friendly' link is also present. The main section of the screen is titled 'ACE: ACHIEVEMENT-CENTERED EDUCATION' and contains a list of requirements. A red box highlights the 'ACE: ACHIEVEMENT-CENTERED EDUCATION' header, with a callout stating 'Only the selected Requirement and Sub Requirements will be listed on the HTML'. The list of requirements includes:

- 1) ACE 1. Written Texts Incorporating Research and Knowledge Skills
 - 3.0 HOURS ADDED 1 COURSE TAKEN
 - Fa11 ENGL150 3.0 TA WESLEYAN: ENG 001 ENG LANG AND WRITING
- 2) ACE 2. Communication Skills
 - 3.0 HOURS ADDED 1 COURSE TAKEN
 - Sp14 ALEC102 3.0 A+ HONORS COURSE
- 3) ACE 3. Mathematical, Computational, Statistical or Formal Reasoning Skills
 - 5.0 HOURS ADDED 1 COURSE TAKEN
 - Fa14 MATH108 5.0 TCR DEPT VLD: MATH108 MATH108
- 4) ACE 4. Study of Scientific Methods and Knowledge of the Natural and Physical World
 - 4.0 HOURS ADDED 1 COURSE TAKEN
 - Fa13 CHEM109 4.0 A+ GENERAL CHEMISTRY I
- 5) ACE 5. Study of Humanities
 - 3.0 HOURS ADDED 1 COURSE TAKEN
 - Fa11 HIST110 3.0 TA WESLEYAN: HIST 001 US HISTORY TO 1877

Click on the graph bar to navigate into the Sub Requirements Screen

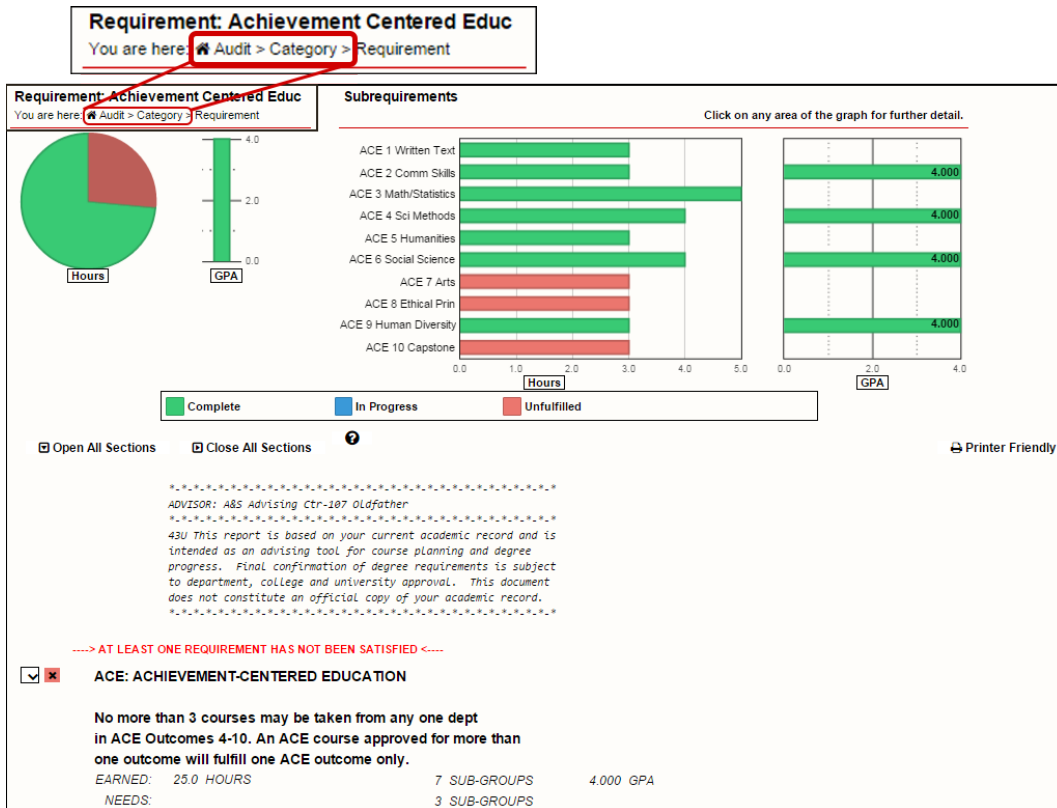

Only the selected Requirement and Sub Requirements will be listed on the HTML Audit

My Degree Audit – Self-Service for Advisors and Students

Updated February 2018

16. Sub requirement Screen

This screen will break down a requirement into its individual sub requirements. This graph shows information for each sub requirement within a requirement (The audit form will remain the same as it was when viewing at the Requirement screen unless the Requirement contains multiple Sub Requirement groups). To return to either the full audit screen or the requirement screen, click on the audit path above the Total Hours and Total GPA charts.

Click the Audit Path to navigate back to the Requirements Screen (click Category) and Full Audit Screen (click Audit)

Updated February 2018

17. Program Matcher

Program Matcher gives a snapshot estimate of how many of your earned hours (both completed and in progress) may match a degree program. Using Program Matcher, you can quickly and easily see what majors would most likely accept most of your credit.

U.achieve Self-Service collects and indexes every degree program at a school-every course for every program is stored. Student course work is compared against indexed programs from the current catalog. The lists of courses are not generated by audits. For a detailed analysis of your completed course work, you must run an audit.

My Degree Audit – Self-Service for Advisors and Students

Updated February 2018

19. Running a “What-If” Audit through Program Matcher

Program Matcher is intended as a guide to help decide on a program path, not as a definitive break down of earned hours. For a detailed assessment you must run a “What-if” audit through Program Matcher to see how your earned hours match towards a program.

Program Matcher has made running an exploratory audit very easy. Each program listed within the Programs Found list has its own “Run Audit” Button **Run Audit** on the right side of the screen. After choosing a program to explore, click the associated “Run Audit” button. Towards the top of the screen a green “View Submitted Audits” button will appear **View Submitted Audits** in the upper right corner. Then a “Submitted Audit Request” alert bubble will appear in the top right corner of the screen to let you know the audit is running. Click the “View Submitted Audits” button.

The screenshot shows the Program Matcher interface. At the top right, a red alert bubble says "Submitted Audit Request for program: B1ESENVR". Below this, a green button labeled "View Submitted Audits" is highlighted with a red box and a circled number 3. In the main area, under "186 Programs Found", there is a filter box and a list of programs. The first program is "Current Program: CHEMISTRY BACHELOR OF SCIENCE". It has a progress bar showing 59.0 of 66.0 completed hours. A red button labeled "Run Audit" is highlighted with a red box and a circled number 1. Below it is another program, "ENVIRONMENTAL STUDIES BACHELOR OF SCIENCE IN ENVIRONMENTAL STUDIES", also with a "Run Audit" button highlighted with a red box and a circled number 1.

To Run a What-If audit from Program Matcher:

1. Click Run Audit
2. Wait until the Submitted Audit Request alert appears
3. Click View Submitted Audits

This will take you to the Completed Audits Requests Screen.

The new audit will be listed at the top, it is also noted under the “Audit Type” column with a “What-If” icon. Click “View Audit” towards the right hand side to view the detailed audit which will give the exact picture of how your earned credit hours match towards that selected degree program.

The screenshot shows the "Completed Audit Requests" screen. It has a red button labeled "Run Audit" and a red button labeled "Delete". Below these is a table of audit requests. The table has columns: ID, Instcd, Program, Catalog Year, Created, Audit Type, Format, Run By, Course Type, View, and Delete. The first row shows an audit for program B1ESENVR, created on 01/05/2016 9:12 AM. The "Audit Type" column shows a "WHAT-IF" icon, and the "View" column has a "View Audit" button highlighted with a red box.

ID	Instcd	Program	Catalog Year	Created	Audit Type	Format	Run By	Course Type	View	Delete
1068792		B1ESENVR	Spring 2016	01/05/2016 9:12 AM	WHAT-IF	HTML		IP	View Audit	

The exploratory audit you ran will be noted by the **WHAT-IF** icon located in the Audit Type column. Click View Audit to explore the What-If Degree Audit.
