10-14-2016 or earlier

Review cycle: As needed

**Review, approval & change
history:** Unknown

The Pass/No Pass grading option is designed to enable students to take courses in areas of interest where they may feel they have had minimal preparation without adversely affecting their grade point average. Grades of P (pass) are interpreted as a grade of C or better. Neither grade P or N (no pass) contributes to the grade point average.

There are collegiate restrictions on the use of this grading option. Students should talk with their academic advisors concerning the use of this option.
